

After two years, it is wonderful to be planning to gather for Holy Week services! There is, however, going to be one change in the Holy Week schedule.

There will be no Easter Vigil held this year.

Other services on Wednesday, Maundy Thursday, and Good Friday will continue as planned.

In light of the increasing numbers of infections from the Omicron variant, we will be continuing to ask parishioners to wear a mask while in the church, for services and other activities. It is frustrating and disappointing, but our focus remains on the health and safety of all.

Thank you for your patience, understanding, and cooperation.
